

that it will comply with the requirements of the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations; and as applicable, Executive Order 11063 (Equal Opportunity in Housing) and implementing regulations; title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d to d-4) (Non-discrimination in Federally Assisted Programs) and implementing regulations; the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and implementing regulations; and the prohibitions against otherwise qualified individuals with handicaps under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations. The applicant must state that it will not discriminate on the basis of race, color, national origin, religion, sex, age, familial status, or handicap in the use of the property, and will maintain the required records to demonstrate compliance with Federal laws.

(6) *Insurance.* The applicant must certify that it will insure the property against loss, damage, or destruction in accordance with the requirements of 45 CFR 12.9.

(7) *Historic preservation.* Where applicable, the applicant must provide information that will enable HHS to comply with Federal historic preservation requirements.

(8) *Environmental information.* The applicant must provide sufficient information to allow HHS to analyze the potential impact of the applicant's proposal on the environment, in accordance with the instructions provided with the application packet. HHS will assist applicants in obtaining any pertinent environmental information in the possession of HUD, GSA, or the landholding agency.

(9) *Local government notification.* The applicant must indicate that it has informed the applicable unit of general local government responsible for providing sewer, water, police, and fire services, in writing of its proposed program.

(10) *Zoning and local use restrictions.* The applicant must indicate that it will comply with all local use restrictions, including local building code requirements. Any applicant which ap-

plies for a lease or permit for a particular property is not required to comply with local zoning requirements. Any applicant applying for a deed of a particular property, pursuant to § 581.9(b)(3), must comply with local zoning requirements, as specified in 45 CFR part 12.

(c) *Scope of evaluations.* Due to the short time frame imposed for evaluating applications, HHS' evaluation will, generally, be limited to the information contained in the application.

(d) *Deadline.* Completed applications must be received by DHFP, at the above address, within 90 days after an expression of interest is received from a particular applicant for that property. Upon written request from the applicant, HHS may grant extensions, provided that the appropriate landholding agency concurs with the extension. Because each applicant will have a different deadline based on the date the applicant submitted an expression of interest, applicants should contact the individual landholding agency to confirm that a particular property remains available prior to submitting an application.

(e) *Evaluations.* (1) Upon receipt of an application, HHS will review it for completeness, and, if incomplete, may return it or ask the applicant to furnish any missing or additional required information prior to final evaluation of the application.

(2) HHS will evaluate each completed application within 25 days of receipt and will promptly advise the applicant of its decision. Applications are evaluated on a first-come, first-serve basis. HHS will notify all organizations which have submitted expressions of interest for a particular property regarding whether the first application received for that property has been approved or disapproved. All applications will be reviewed on the basis of the following elements, which are listed in descending order of priority, except that paragraphs (e)(2)(iv) and (e)(2)(v) of this section are of equal importance.

(i) *Services offered.* The extent and range of proposed services, such as meals, shelter, job training, and counseling.

(ii) *Need.* The demand for the program and the degree to which the

available property will be fully utilized.

(iii) *Implementation time.* The amount of time necessary for the proposed program to become operational.

(iv) *Experience.* Demonstrated prior success in operating similar programs and recommendations attesting to that fact by Federal, State, and local authorities.

(v) *Financial ability.* The adequacy of funding that will likely be available to run the program fully and properly and to operate the facility.

(3) Additional evaluation factors may be added as deemed necessary by HHS. If additional factors are added, the application packet will be revised to include a description of these additional factors.

(4) If HHS receives one or more competing applications for a property within 5 days of the first application HHS will evaluate all completed applications simultaneously. HHS will rank approved applications based on the elements listed in § 581.8(e)(2), and notify the landholding agency, or GSA, as appropriate, of the relative ranks.

§ 581.10 Action on approved applications.

(a) *Unutilized and underutilized properties.* (1) When HHS approves an application, it will so notify the applicant and forward a copy of the application to the landholding agency. The landholding agency will execute the lease, or permit document, as appropriate, in consultation with the applicant.

(2) The landholding agency maintains the discretion to decide the following:

(i) The length of time the property will be available. (Leases and permits will be for a period of at least one year unless the applicant requests a shorter term.)

(ii) Whether to grant use of the property via a lease or permit;

(iii) The terms and conditions of the lease or permit document.

(b) *Excess and surplus properties.* (1) When HHS approves an application, it will so notify the applicant and request that GSA assign the property to HHS for leasing. Upon receipt of the assignment, HHS will execute a lease in accordance with the procedures and requirements set out in 45 CFR part 12.

In accordance with 41 CFR 101-47.402, custody and accountability of the property will remain throughout the lease term with the agency which initially reported the property as excess.

(2) Prior to assignment to HHS, GSA may consider other Federal uses and other important national needs; however, in deciding the disposition of surplus real property, GSA will generally give priority of consideration to uses to assist the homeless. GSA may consider any competing request for the property made under section 203(k) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 484(k)) that is so meritorious and compelling that it outweighs the needs of the homeless, and HHS may likewise consider any competing request made under subsection 203(k)(1) of that law.

(3) Whenever GSA or HHS decides in favor of a competing request over a request for property for homeless assistance use as provided in paragraph (b)(2) of this section, the agency making the decision will transmit to the appropriate committees of the Congress an explanatory statement which details the need satisfied by conveyance of the surplus property, and the reasons for determining that such need was so meritorious and compelling as to outweigh the needs of the homeless.

(4) *Deeds.* Surplus property may be conveyed to representatives of the homeless pursuant to section 203(k) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 484(k)(1), and section 501(f) of the McKinney Act as amended, 42 U.S.C. 11411. Representatives of the homeless must complete the application packet pursuant to the requirements of § 581.9 of this part and in accordance with the requirements of 45 CFR part 12.

(c) *Completion of lease term and reversion of title.* Lessees and grantees will be responsible for the protection and maintenance of the property during the time that they possess the property. Upon termination of the lease term or reversion of title to the Federal government, the lessee or grantee will be responsible for removing any improvements made to the property and will be responsible for restoration of the property. If such improvements are not removed, they will become the property

of the Federal government. GSA or the landholding agency, as appropriate, will assume responsibility for protection and maintenance of a property when the lease terminates or title reverts.

§ 581.11 Unsuitable properties.

The landholding agency will defer, for 20 days after the date that notice of a property is published in the FEDERAL REGISTER, action to dispose of properties determined unsuitable for homeless assistance. HUD will inform landholding agencies or GSA if appeal of an unsuitability determination is filed by a representative of the homeless pursuant to § 581.4(f)(4). HUD will advise the agency that it should refrain from initiating disposal procedures until HUD has completed its reconsideration process regarding unsuitability. Thereafter, or if no appeal has been filed after 20 days, GSA or the appropriate landholding agency may proceed with disposal action in accordance with applicable law.

§ 581.12 No applications approved.

(a) At the end of the 60 day holding period described in § 581.9(a), HHS will notify GSA, or the landholding agency, as appropriate, if an expression of interest has been received for a particular property. Where there is no expression of interest, GSA or the landholding agency, as appropriate, will proceed with disposal in accordance with applicable law.

(b) Upon advice from HHS that all applications have been disapproved, or if no completed applications or requests for extensions have been received by HHS within 90 days from the date of the last expression of interest, disposal may proceed in accordance with applicable law.

§ 581.13 Waivers.

The Secretary may waive any requirement of this part that is not required by law, whenever it is determined that undue hardship would result from applying the requirement, or where application of the requirement would adversely affect the purposes of the program. Each waiver will be in writing and will be supported by documentation of the pertinent facts and

grounds. The Secretary periodically will publish notice of granted waivers in the FEDERAL REGISTER.

Subpart A—General

§ 582.1 Purpose and scope.

(a) *General.* The Shelter Plus Care program (S+C) is authorized by title IV, subtitle F, of the Stewart B. McKinney Homeless Assistance Act (the McKinney Act) (42 U.S.C. 11403–11407b). S+C is designed to link rental assistance to supportive services for hard-to-serve homeless persons with disabilities (primarily those who are
